Dear Church Family,

Praise God!! North Alton Baptist Church will be opening their doors again to worship on **June 28, 2020** at **9:15 am** with morning worship beginning at **10:00 am**. It has been a long time since we have been together as a church family and what an honor it will be to see you all again. All though the COVID-19 has been a challenge to all of us, let me remind you that first and foremost our trust is in the Lord. This is not a surprise to God and we give Him glory for having His protective hand on each and every one of us as we come together again as a corporate body.

As all of you know, guidelines must be followed to ensure the safety of all that are attending. Under no circumstances do we want to place anyone in any danger or harm. The guidelines that have been established have been approved by the Illinois Department of Public Health and the Department of Disease Control and must be followed with no exceptions.

Each and every one of us are growing tired of hearing about the COVID-19 virus, but we need to understand that these are unusual times. As Christians we must show love and kindness during this crisis. Angry words and division destroys our faith in God. We need to all humble ourselves and strive for unity. It's totally alright to have different views on situations, but let's make love our key focus and we all will get through this together.

Please let me again emphasize that the safety of our church family is number one. So if a staff member kindly ask you to comply with the guidelines, please by all means follow his or her instructions. They are only looking out for your safety and those around you.

Again, we are blessed beyond measure that you are back with us as a church family worshipping and serving our Lord and Savior.

If you have any question or concerns, you can contact the church or Senior Pastor Sonny Renken.

Sincerely,

Senior Pastor
